

This is to certify that the Environmental Management System of:

**DOMINION INDUSTRY & INFRASTRUCTURES, S.L. - DOMINION TANKS DIMOIN, S.A. -  
DOMINION HIVISAN, S.L. -**

Polígono Salinas, C/ Asturias 8-10. Sant Boi de Llobragat 08830. Barcelona, España.

(Central function listed above. See appendix for additional locations)

applicable to:

**Design, supply, manufacture, assembly, coating, integral maintenance, operation and commissioning of industrial installations and buildings, including: Fire fighting installations: fire detection and alarm systems, fire water supply systems, fire hydrant systems, equipped fire hydrant systems, fire extinguishers, fire extinguishers, dry column systems, or fixed automatic sprinkler and water spray extinguishing systems, fixed water mist extinguishing systems, fixed physical foam extinguishing systems or fixed powder extinguishing systems, fixed gaseous extinguishing agent extinguishing systems, fixed condensed aerosol extinguishing systems, smoke and heat control systems, luminescent signaling systems. Low, medium and high voltage electrical installations, lighting and manufacturing of electrical panels. Air conditioning and ventilation installations. Communications and telecommunications installations. Flexible manufacturing and automation installations. Piping installations for gas distribution. Installation, commissioning and maintenance of machinery for process automation. Logistics services, warehouse management and production support activities. Service and installation on wind turbines and other projects related to the wind turbine industry.**

**Design, supply, manufacture, assembly, coating, integral maintenance, operation and commissioning of industrial installations, including: atmospheric tanks, pressure vessels and other applications in the boilermaking sector.**

**Design, manufacture, assembly and maintenance of industrial installations.**

has been assessed and registered by NQA against the provisions of:

**ISO 14001:2015**

This registration is subject to the company maintaining an environmental managementsystem, to the above standard, which will be monitored by NQA

Managing Director

Certificate No.	802413
ISO Approval Date:	January 2005
Reissued :	10 May 2023
Valid Until :	12 May 2026
EAC Code:	18, 28

Appendix to Certificate Number : 802413  
Includes Facilities Located at:
